

# 2024 WSTR FINALE XVIII HOTEL RESERVATION REQUEST

## Hotel Rooms - Reserve at time of entry!

Our mission each year is to handle all of your needs with the least amount of hassle. That is a difficult situation with the size of the South Point facility (stalls, hotel rooms, parking). The big problem that we face every year is mathematical and you won't need a calculator. The South Point has 1,100 indoor stalls, and gives us a room block of 1,000. There will be over 3,000 contestants attending the World Series Finale. Therefore, we also offer rooms at the Grandview, Berkley, and Cancun Resort which offer apartment style suites. The Grandview is right next door to the South Point. The Berkley is about 1 mile north of the South Point. In order to control the block of rooms, WSTR handles all hotel reservations and will forward the information to the respective properties. Reservations are accepted once you are entered. **Deposit must be secured with a credit card only. (NO CHECKS ACCEPTED)**, sending a check will only delay your reservation.

**Rates pending - pricing will be updated once confirmed.**
